Sound Mind Sound Body excited Jim Harbaugh as much as Super Bowl

posted by *Ricky Lindsay* [8] on Jun 13, 2015 [9]

"To have a day in football for all of us to be together, to interact on this stage, how good is it, do you measure it? You can't. Just personally, (I've) coached and played in some big games, including (the) Super Bowl, including NFC championships, etcetera., I was excited about this day and getting out there on the field as I was going into those days. Just as excited."
